BENJAMIN GALÈS

Apprentice developer
42 School - Nice

As a student nearing the end of my training at École 42, I am seeking a new professional experience (internship, apprenticeship, or full-time position) to further explore the field of software development and obtain my RNCP diploma. Rigorous, curious, and highly adaptable, I am eager to contribute my skills and continue learning within a team.

TRAINING

42 SCHOOL

2021 - Today

Program and website development, realization of peer-to-peer learning projects.

PROFESSIONAL EXPERIENCE

E-commerce manager

DANYBERD

2020-2024

Ready-to-wear

- Front-end and UI customization.
- Packshots and photo shooting.
- Order management.

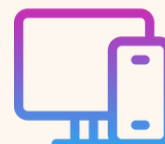

Intern

ANSYS

February 2025 - Today

Fullstack Developer

- Backend development with Python (FastAPI), REST endpoints, and gRPC API consumption.
- Refactoring of standards scenario JSON models for autonomous vehicle simulation.
- Integration of scenarios into a 3D preview using Three.js
- Full design and implementation of the UI for the preview module

MY PROJECTS

Transcendence

OAuth2.0, WebRTC, Django, PostgreSQL Javascript, Html, Css, Bootstrap
Development of an online multiplayer 'Pong' game website. Authentication, game statistics, and game customization.

IRC C/C++

Creation of an IRC chat server with administrator rights management, commands, and a chatbot.

Cub3D C

Creation of a 3D game using Raycasting with customizable maps and textures.

Minishell C

"Recreation of a bash shell with main features and commands.
